# REM+ TUITION

## NEWS FROM THE CENTRE

Dear Families,

It has been an excellent start to term 1. We have all enjoyed learning about our new students and re-engaging with our continuing students.

All of our staff and students are showing our values of **Success, Trust, Passion, Modify and Community**.

Term 2 is sure to be exciting here at REM+ as we are looking at introducing some new programs that are innovative, researched based and highly effective. We will have more on these soon.

Please remember the wonderful incentives we have for our families:

- **Refer a Friend**
- **Multi Lesson Discount**

Please see the latest communications about our excellent incentive offers, or read on in the newsletter.

Regards,

Kieran Davidson  
National Operations Manager

## WHAT'S NEW?

### **Communication**

Just a reminder that our admin team are available from 3pm every weekday except Friday to answer your calls and your questions.

If you have urgent matters such as absences, please email [learning@remtuition.com.au](mailto:learning@remtuition.com.au) or call/text our mobile 0485 835 551 and leave a voicemail.

### **Term 2**

Our term 2 timetable is now available. Invoicing for current families will be sent out in week 8 and will need to be paid. Our timetable will remain the same where possible. If any changes are necessary, we will notify our families.

Invoices will need to be paid by end of week 11, term 1, to hold your place in a class. As all contracts will roll over, we will need to know in advance if your child is not continuing in term 2.

We look forward to being able to provide quality tutoring that enables confidence, a passion for learning, and great study skills whilst delivering their educational support.

**Please email or call the centre if you require any further information about the above.**

## IMPORTANT INFORMATION

### Mathematics and English Assessments:

An assessment can be booked and taken at any time or before joining the English or mathematics program. The assessment provides accurate in the moment results to guide learning. The assessment will inform all involved in the child's support network their individual, targeted learning areas.

The assessment includes results, targeted learning pathway and consultation. Please enquire now about the assessment and how it can support your child's learning at REM+ and school. Assessment sessions are conducted on Wednesday evenings.

### Special incentives for our clients:

#### 1) Refer a Friend

Any client who refers a friend to REM+ Tuition will receive 10% off term fees if their friend has signed an education contract and attends their first session.

#### 2) Multi Lesson Discount

We also have multiple lesson discounts that is perfect for families or students who require support in multiple subjects. The multiple lesson discount applies to immediate families with savings as follows:

- 2 lessons per week 5% off total term fees
- 3 lessons per week 10% off total term fees
- 4 lesson per week 15% off total term fees

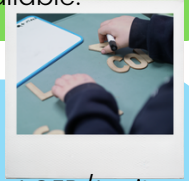

## MULTI SENSORY LEARNING

The Playberry Multi-Sensory Literacy Program caters for children with Dyslexia, Dysgraphia, or Dyscalculia. The program is one of the most effective, long-term approaches to addressing these learning difficulties.

MSL classes aim to improve a child's ability to learn to read and subsequently consolidating their literacy skills. This improves their ability to learn in any subject.

We currently have positions available.

## ACER/IGNITE

The earlier students start their ACER/Ignite preparations the higher the possibility they will achieve success.

For new students, we currently have available spots in our Thursday night classes from 6:00pm-7:30pm, and will build further lessons during Term 2 for this very popular class. School Holiday sessions may be available upon demand. Our dedicated teachers are ready to educate and mentor students looking to take the Ignite testing in 2024.

Please enquire now about the program as it does fill up fast.
